Dear Ryan,

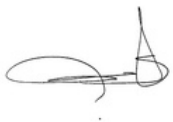

It is with great pleasure that we congratulate you for making the Dean's Recognition List for the Winter 2026term.

This important achievement is only awarded to those who have earned academic distinction by achieving a Term Grade Point Average of 3.5 or higher.

Your addition to the Dean's Recognition List reflects your hard work, dedication, and motivation to succeed at George Brown Polytechnic, and you should be very proud of your accomplishments.

We share your pride in earning this honour. Congratulations again, and we look forward to celebrating your future successes at George Brown Polytechnic.

Sincerely,
